

Lecture Series "Frontiers in Science"

Prof. Pritam Mukhopadhyay Jawaharlal Nehru University, India

Title : Organic Radicals and their Applications

Date & Time : February 7, 13:15~14:45

February 14, 13:15~14:45

Venue : Sci. Bldg. G310 (Sugimoto C.)

1st Lecture: Brief History and Types of Organic Radicals; Synthesis of Radicals; Stabilization Aspects; FMO Picture; Reactions of Radicals.

2nd Lecture: Chemoselectivity and Regioselectivity in Radical Reactions; Characterization of Radicals; New Radicals and Recent Applications.
